RE: Sultan Issa  
DOB: 06/11/1973

To Whom It May Concern:

Mr. Sultan Issa has been under my care since 2009 for the treatment of anxiety and depression. He is currently stable and fully compliant with recommended treatments, which include psychotherapy and prescribed medication.

Sincerely,

A handwritten signature in black ink, appearing to read "Ralph J. Cusick". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
